The diagram section contains four technical drawings of drill bits, each with dimension labels in boxes:

- Top drawing:** A drill bit with a chamfered end. Labels include l_1 (total length), R Stirradius (chamfer radius), R VAR-X-Radius (tip radius), α (chamfer angle), and $\text{Ø}d_{2h6}$ (diameter).
- Second drawing:** A drill bit with a chamfered end, similar to the first but with a different chamfer profile. Labels include l_1 , R Stirradius, R VAR-X-Radius, α , and $\text{Ø}d_{2h6}$.
- Third drawing:** A double-flute drill bit. Labels include l_1 , R Stirradius, R VAR-X-Radius, and $\text{Ø}d_{2h6}$.
- Bottom drawing:** A double-flute drill bit with a different flute profile. Labels include l_1 , l_2 (flute length), R VAR-X-Radius, and $\text{Ø}d_{2h6}$.
